Please note that filing for a Pre-Application meeting is not a formal development application with the County. Only a formal development application can initiate the processing time limits of the Permit Streamlining Act; a pre-application submittal does not.

Once you complete this form, either drop by or call the Planning Department Zoning Counter and ask to speak to a Senior Planner to schedule your Pre-Application Meeting. You should be able to give a brief but comprehensive description of your project when you call. The Senior Planner will determine what staff should be present at the meeting and work with you to find a date that will be convenient for you. Please bring this form to the meeting.

Once you have scheduled the meeting, please be on time for it, since it is likely that we will have scheduled meetings following yours and if you are late we may not be able to extend your time. If you find that you are unable to attend your scheduled meeting, please call the Planning Department to reschedule your meeting.

DIRECTIONS

The Alameda County Planning Department Zoning Counter is located in Hayward on the first floor of the Public Works Building at 399 Elmhurst Street between Santa Clara Street and Amador Street.

TRAVELING FROM I-880:	: Exit Winton Avenue, east.	
	Right onto Santa Clara Street.	
	Left onto Elmhurst Street.	
	Alameda County Public Works Building will be on the left.	
PARKING:	Limited public parking is available in the parking lot behind the Public Works Building. Additional parking is available in the Alameda County parking garage located across the street from the courthouse on Amador Street. Do not park in the church parking lot across the street. This is not a public lot.
